

Ethical Compliance Statement

Title of Manuscript: [Enter the title of the manuscript]

Author(s): [List the names of all authors]

In submitting this manuscript for publication to [Journal Name], the undersigned author(s) affirm(s) that the research presented in the manuscript complies with ethical standards and guidelines, including but not limited to:

1. **Institutional Review Board Approval:** The research involving human subjects has been conducted in accordance with the principles of the Declaration of Helsinki and has received approval from the appropriate institutional review board or ethics committee.
2. **Informed Consent:** Informed consent has been obtained from all participants involved in the study, including consent for data collection, analysis, and publication of results.
3. **Animal Research Ethics:** If the research involves animal subjects, it has been conducted in compliance with relevant animal welfare regulations and guidelines, and appropriate measures have been taken to minimize animal suffering.
4. **Data Integrity and Accuracy:** The data presented in the manuscript are accurate, reliable, and have been collected, analyzed, and reported in a truthful and transparent manner. Any potential sources of bias or error have been disclosed.
5. **Authorship and Contributorship:** All individuals who have made substantial contributions to the research and preparation of the manuscript have been listed as authors, and all listed authors have agreed to their inclusion in the authorship list.
6. **Plagiarism and Originality:** The manuscript is original and has not been published previously, nor is it under consideration for publication elsewhere. Proper citations and acknowledgments have been provided for all sources of information and ideas used in the manuscript.
7. **Conflict of Interest Disclosure:** Any potential conflicts of interest related to the research, affiliations, funding sources, or personal relationships have been disclosed in accordance with the journal's conflict of interest policy.
8. **Compliance with Ethical Guidelines:** The research has been conducted in compliance with relevant ethical guidelines, regulations, and laws governing research integrity and human subjects protection.

By signing below, the undersigned author(s) affirm(s) that the research presented in the manuscript meets the ethical standards outlined above.
